Topolino e il vento che fa FFFF e VVVV

Topolino guarda fuori dalla finestra e vede le foglie volteggiare. Dopo ascolta la voce del vento, che fa FFFFFFFF e poi ancora FFFFF. Oggi il vento soffia veramente forte. Per scaldarsi Topolino beve un bicchiere di vino novello, poi torna alla finestra. I fiori nel vaso in giardino vanno di qua e di là. Ora il vento ha cambiato suono: fa VVVVVV, con un vocione da fare paura.

Paperino a caccia di S e Z

Paperino decide di andare a caccia di S e Z. Allora si mette le scarpe ai piedi e lo zaino sulle spalle e va a spasso facendo zig zag. Vede le zanzare pungere Zorro, poi una suora fare le carezze a una zebra e il serpente Siso fermo al semaforo in attesa di passare sulle strisce zebraate. Alla fine, soddisfatto, torna a casa da Paperina.

Nonna Papera in cucina con B e P

Nonna Papera è la cuoca della scuola e oggi prepara tante buonissime pietanze per i bambini: panini al prosciutto, peperoni in umido, pollo con le patate, la bistecca con i pomodori, le banane ripassate al burro. Brava nonna Papera!
