

Scatti dal Mondo!

Ciao! Sono DINO. Queste sono le foto delle mie ultime vacanze. Metti la lettera iniziale nella parte bassa della cornice e scoprirai...

...l'ordine alfabetico!

Ora colora di giallo le cornici che contengono le **VOCALI**, di verde quelle che contengono **CONSONANTI** e di celeste quelle con le **LETTERE STRANIERE**.

Eccomi di nuovo! Riscrivi l'alfabeto in ordine, prima in stampato, poi in corsivo. Poi collega le lettere in basso e colora il disegno che scopri.
